Oasis Smiles

Rejuvenate your Smile

FINANCIAL AGREEMENT

We, the staff of Oasis Smiles, thank you for choosing us as your dental/health provider. We consider it a privilege to serve your needs and we look forward to doing so. We are committed to providing you with the highest level of care and to building a successful provider-patient relationship with you and your family. We believe your understanding of our patients' financial responsibility is vital to that provider-patient relationship and our goal is to not only inform you of the provisional aspects of that financial policy but also to keep the lines of communication open regarding them. If at any time you have any questions or concerns regarding our fees, policies, or responsibilities please feel free to contact our office at 858-592-9500.

We believe this level of communication and cooperation will allow us to continue to provide quality service to all of our valued patients.

Please understand that payment for services is an important part of the provider-patient relationship. If you do not have insurance, proof of insurance, or participate in a plan that will not honor an assignment of insurance benefits, payment for services will be due at the time of service unless a payment arrangement has been approved in advance by our staff in writing.

It is our office policy that for any procedures or services that total more than \$500, a minimum deposit of at least 50% of the entire treatment is required in advance prior to the scheduled date of service. An appointment for any treatment exceeding \$500 will not receive a scheduled appointment until the minimum deposit has been collected. This deposit will go towards the overall cost of the accepted treatment.

We make payment as convenient as possible by accepting (cash, money order, MasterCard, Visa, and in-state checks). A \$35.00 service fee will be charged for all returned checks. Additionally, you may authorize us to keep your credit card on file for your convenience knowing that we adhere to the highest level of information security.

Insurance

Please remember that your insurance policy is a contract between you and your insurance carrier. We will, as a courtesy, bill your insurance and help you receive the maximum allowable benefit under your policy. We have found that patients who are involved with their claims process are more successful at receiving prompt and accurate payment services from their insurance carrier. We do expect patients to be interactive and responsible for communicating with your insurance carrier on any open claims.

It is your responsibility to provide all necessary insurance eligibility, identification, authorization and referral information and to notify our office of any information changes when they occur. Even a preauthorization of services does not guarantee payment from your insurance carrier. We also require photo identification when accepting insurance information. It is the patient's responsibility to know if our office is participating or non-participating with their insurance plan. Failure to provide all required

information may necessitate patient payment for all charges. When insurance is involved, we are contractually obligated to collect co-payments, co-insurance, and deductibles, as outlined by your insurance carrier.

Please be aware that out-of-network insurance carriers often prohibit assignment of benefits and may try to limit their financial liability with arbitrary limits, exclusions, or reductions such as reasonable and customary or usual and prevailing reductions. Our fees are will within such ranges and although we will assist in the filing of an appeal if these limitations are imposed, you as the guarantor are responsible for all out-of-network fees. If we are not contracted with your carrier, we will not negotiate reduced fees with your carrier.

In the unlikely chance that your insurance carrier overpays for their estimated insurance portion for a given procedure, that overpaid dollar amount will be inputted as a credit into your family's account balance. For your convenience, this credit will be used for future dental appointments and treatment as needed.

Missed Appointments

We require notice of cancellations at least 48 hours in advance. This allows us to offer the appointment to another patient. If you miss your scheduled dental appointment and fail to notify our office at least 48 hours in advance, this will result in a \$25 broken appointment fee. This fee will double with each time an appointment is missed (\$100 maximum).

Medical Records Fees

Patients are entitled under federal law to have access to their protected health information and we follow all rules, guidelines, and exceptions to ensure compliance to patient rights. However, providers also have the right to compensation for records and our fees are a reasonable cost-based fee for copies including the copying, supplies, labor, and postage of the files, and or summaries.

We realize that temporary financial problems may impact timely payment of your account. If this should occur, please contact us for assistance in the management of your account. Our goal is to provide quality care and service. Please let us know immediately if you require any assistance or clarification from anyone within our business.

I have read and understand the above financial policy. I agree to assign insurance benefits to "Dr. Bhor / Oasis Smiles" whenever applicable. I also agree, in addition to the amount owed, I also will be responsible for the fee charged by the collection agency for costs of collections if such action becomes necessary.
